

Budget Savings Bonus Program Form

Budget Savings Bonus Program Details

Goal: To inspire creativity for the maximum stewardship of TVC tithe and offerings and reward cost saving efforts.

- If the staff member manages to save 10% of their entire ministry budget for Term 1 (Jan-April) and/or Term 2 (May-Aug), they will receive a \$250 bonus for each term they saved 10%.

Here's how to get started:

- Look over projects that are coming up or regular purchases that will be made and seek creative ways to be resourceful while at the same time not compromising quality in the outcome.

**Example: instead of having an event catered you may consider finding volunteers to prepare the meal, or have volunteers provide the dessert.*

- Contact other churches and/or ministries to see how they affordably achieved their ministry's mission, which may be the same as yours.
- At the end of each term, meet with your direct. If you have been successful at saving 10% the \$250 bonus is yours!!!!
